For example,

- If you have 6 directs, you become eligible for up to 12 levels and receive income from all 12 levels in the first month.
- From the second month onward, your income depends on how many people in your team pay their installments.
- If only 5 members from level 1 and 20 members from level 2 are active, you will qualify for income only up to 3 levels only.
- In this case, income from 3 levels will go into your Income Wallet.
- Income from the remaining 9 levels will go into the Dead (Red) Wallet, where you can see the missed earnings.
- If next month you complete the full criteria by activating your team:
 - You will receive current month income + previous month's pending income in your Income Wallet.
- If next month also the required activity is not maintained:
 - The previous month's pending amount moves to the Dead (Black) Wallet
 - This amount is for record purpose only and cannot be withdrawn
- This process continues every month based on your team's active (black) and inactive (red) wallets
